## COMMANDER

Cdr Lance Williamson, P

One of the things that I enjoy doing with the Power Squadron is teaching the first chapter in the ABC course and the Seamanship course. One thing that I talk about is the importance of doing an engine room check

(all the fluids, belts, etc.) before starting the engine, leaving the engine room door open while starting the engine and then doing a second engine room check. Recently, Brenda and I had spent the night at Arabella's in Gig Harbor and were getting ready to head back to our marina. The first engine check went well. The engine started just as it should. When conducting the second engine inspection I notice a slow drip that should not be there. The "taste test" revealed the drip was salt water. There was an issue with the raw water pump. The second engine room check kept us from having a major mechanical issue in the Tacoma Narrows. The moral of the story is make sure you do an engine inspection before and after starting your boat motor!!

My guess is that most of you are aware of the collision of the Washington State ferry with the motor vessel "Nap Time." I used the video of that collision for the Seamanship class session on the COLREGS and we discussed which of the rules were broken that day. In

doing research for the class I check on several boating forums where a discussion of the collision had taken place. It became clear that MOST boaters have no idea of COLREGS and the various rules!!! Regularly review the COLREGS. Keep a copy of "*The One-Minute Guide to the Nautical Rules of the Road*" by Charlie Wing near your boat's helm. However, never assume that the boaters near you know and follow the COLREGS. Be safe out there.

The boating season is upon us and that means rendezvous season is here. Check out article in this edition of *The Wake Astern* to find out about the upcoming rendezvous.

Richard Mattox, editor of *The Wake Astern*, emailed information to everyone concerning the upcoming San Juan Island Summer Cruise. Make plans to take part in the cruise. Contact the marinas to make your own reservations. Feel free to be there for the entire trip or any portion that you want. Brenda and I will be making some side trips to be with family members at Friday Harbor, Stuart Island and Sucia Island.

The Executive Board and Nominating Committee are still seeking people to fill various positions within the squadron. It is vital that we have more of these positions filled. Please say "Yes!" if asked to serve the squadron in one of the open positions.

The time is getting closer for the Spring District Council/Conference. It hardly seems like almost a year ago, although our very own D/C Christine Rasmussen, SN might disagree with me on that. As a squadron in District 16, we did an outstanding job at representing Tacoma's candidate for District Commander.

We had an impressive turn out as volunteers to help orchestrate and put the Change of Watch on and represent Christine Rasmussen at her swearing in. We had a fantastic turnout at the dinner showing our support and pride in our Squadron. But then again here it is that time, and I would hope we could see as many people come and play a part in the 2017 Spring Conference and COW as we did last year. The Council/Conference COW is being held this year at the Campbell's Resort on Lake Chelan, WA. As our Squadron Cdr Lance Williamson indicated at the general meeting, you may not want to go water skiing over there this time of year, but there are other things to do like a wine tour and a great excuse to get away for a few days and connect with friends. Also, see Matthew Lombardi become District Commander and lend your support. You could connect with other squadron members and car pool over the hill to the Lake. Several years back we went to Penticton for a joint conference in Canada. We, along with six others in a van, had a tremendous time; lots of talking and sightseeing along the way made for a short trip. The only thing that could have made it better if there had been heat in the van. That's another story. So, look in The Wake Astern for the sign-up form, complete it, and give the hotel a call for reservations and we'll all meet at Campbell's Resort.

The Marine Daffodil Parade with TYC is coming up on April 21st thru the 23<sup>rd</sup> 2017, and our Squadron will be participating in the activities. Lt/C Jon Everett, AP, and Sharon Cryan have volunteered their time and boat (Tourmaline) again this year, and I'm sure we'll have a great time at TYC decorating the boat for the parade. We need to put together a team of six people who are great at Trivia so we can participate in the Trivia Contest, something we haven't done since 2006. Jerry Lawrence, our Executive Officer, led the Trivia cheer squad as our Token. As I recall (and I could be wrong) Jerry was dressed as a 1950's Teen for the Token, a lot of fun and great memories. So please keep in mind to spend some time decorating, being a sidewalk superintendent or cheering for the team. Join in the fun with Jon, Sharon, Cindy and myself at the Daffodil Festival. The TYC grounds are undergoing some construction but its hopeful the parking lot will be graveled by the time the Festival is underway.

## EDUCATIONAL DEPARTMENT

*Lt/C Sandi Carroll, SN  
Asst. Education Officer*

**T**he Seamanship class is going well at Totem Yacht Club, as the class is over halfway through. Our Commander Lance Williamson is teaching, with a fun time being had for all. Thanks goes to Totem Yacht Club for making their facility available for the class.

We are planning to do an Engine Maintenance Class with various expert members instructing the chapter subjects. I think it will work quite well. The starting date will be Wednesday, March 22, 2017. The classroom site will be Orchard Park Rehab at 4755 So. 48th St. Tacoma, WA 98419 in South Tacoma. We have a good signup thus far. Please contact me if you are interested in the class. I will be ordering materials soon.

PLEASE NOTE! I am looking for a member who can set up and operate the power point equipment for this class. This would only involve the operation of the equipment, while other instructors do the presentations. This is a great way to earn a "Merit Mark" while helping the Squadron. Please contact Otto if you would be willing to help.

A Piloting Class will be offered starting Monday, March 20th, 2017 at Totem Yacht Club. This class will follow the Seamanship Class just finishing the week before. Gary Ball will be able to instruct the entire course which will wind up on May 22nd 2017. There has been a lot of interest in this class to date. Please let me know if you wish to be included, as materials will be ordered soon, as well. (I hear that Gary does a super job with the class).

If you look carefully at our class dates, Piloting being on Monday evenings, and Engine Maintenance being offered on Wednesday evenings, you can take both classes during the same calendar time. What an opportunity!

After meetings with Gene Anderson with Pt. Defiance Boat House, we are planning to teach a Paddle Smart Seminar (approximately 2 hours) to prospective Pt. Defiance customers who wish to go out with paddle craft. We would do a session in May, June and July.

What we need from our membership are some volunteers to assist in doing the seminars. Our National Power Squadrons Organization provides the books and handouts. The instructor's materials provided make doing this seminar relatively easy to do, and you don't need to be a paddle boater to present the class. We would do the classroom part of the instruction, using the power point slides and materials. This may be followed with park staff conducting some "hands on" demonstrations for the students at Owen's Beach.

It was also discussed that Tacoma Power Squadron's certified Boat Operator Instructors could do some on the water demonstrations and training to interested individuals there at the Pt Defiance Boat House facility. This can give the Power Squadrons additional exposure to our fellow boaters, and may result in added members.

There will be an ABC Class at the Pt. Defiance Boat House starting on Wednesday May 03, 2017 running for 5 weeks. This class is open to anyone interested in attending. There is a tentative plan to do another ABC Class in early June as well. The exact dates will be determined soon. Our member's help is always appreciated for these classes.

(Commander Report continued from Page 2)

The District 16 Spring Conference and Change of Watch will be held on March 10 – 12 at Lake Chelan! There will be a “Lake Chelan Wine Tour” and a “Wine Maker’s Dinner.” Now is the time to register for the D16 conference. Spring Conference information and registration information can be found at: <http://www.uspsd16sg.org/>.

The election of the Bridge Officers for the Tacoma Power Squadron will take place at the General Meeting on February 28<sup>th</sup>. The Change of Watch will take place at the General Meeting on April 25<sup>th</sup>.

I am pleased to announce that *The Wake Astern* and our web site received awards from the USPS. Richard Mattox is the editor of *The Wake Astern* and Tom Ferree is the squadron’s web master. Way to go!! Great job!!!

Well, that is about it for now. See you at the General Meeting or out on the water!!

(Executive Dept continued from Page 3)

During the same period as the Daffodil Festival April 20<sup>th</sup> through April 23<sup>rd</sup>, 2017, is a proposal from the Puyallup fair administration to District 16 inviting squadrons to participate in the Outdoor Adventures at the Spring Fair in Puyallup as they did last year.

Last year it was held indoors in the Expo Hall. This event, not set in stone as of this writing, but if the District decides they will do it again, it would be outstanding if the Tacoma Power Squadron participated. Keep this in the back of your mind, it could be an excellent way to see the Spring Fair and represent your Squadron. More to come as we find out further information.

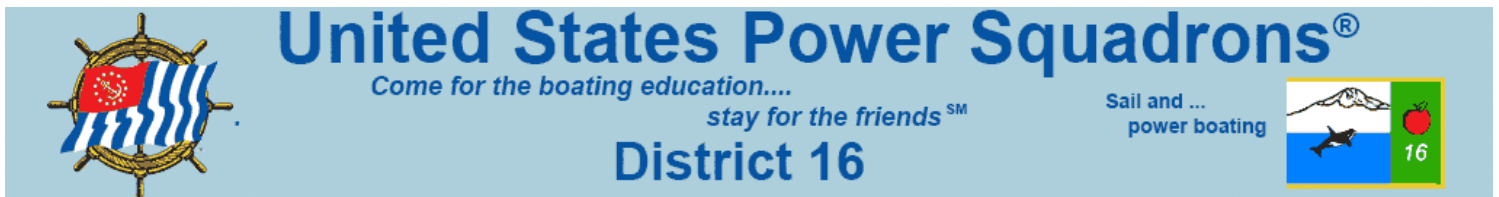

(Education Dept continued from Page 4)

It’s not too early to give some thought to classes that we could plan for next fall that would interest you. Let me know your desires, since I keep tabs on these requests.

Keep the District 16 Spring Council-Conference at Lake Chelan in mind. They are planning quite a festive event for all those attending. News is out in the District 16 “Cardinal Points” newsletter and the “Wake Astern”. Plan to be there and watch our own D/C Christine Rasmussen, SN turn the gavel over to the 2017-2018 D/C- Matt Lombardi, P from Seattle Sail and Power Squadron, (room rates are outstanding, come and enjoy).

Cheers, Otto & Sandi

## Nominating Committee Report by P/C Jackie Mattox, AP

It's that time again and we are having the same challenge filling our elected positions. We are trying to think of ways that you could fill a position with a shorter commitment time. If you feel that you would like to help our squadron survive, please contact a nominating committee member or one of the bridge members.

Think about what the squadron has done for you and what the organization means to us and all boaters. I know that we have a great group of people which is why most of us stay "For the Friends." So think about how you might contribute your talents and time for the good of all. You can see by the nomination list that there are quite a few jobs to fill. If you would like to help, please talk to us to come up with a schedule that would work for you and Tacoma Power Squadron.

## COPPERLINE LAND RENDEZVOUS

28 JANUARY 2017

By P/C Jackie Mattox, AP

Another successful land rendezvous with great conversation and fun by all. Everyone enjoyed the slide show of pictures from years past. Some of us have changed quite a bit since joining Tacoma Power Squadron. Everyone contributed the food, appetizers, soups, chili, salads, breads and desserts, YUM. This year Lt/C Larry Warren, AP provided door prizes paid for by the center pieces he made for the Christmas Brunch. Five restaurant gift cards at \$35 each for Wild Fin, The Ram, Dukes, Lobster Shop and Harbor Lights were won by Becky Arrington, Tim Craig, Stan Wolfe, Jenna Ashbrook and Bruce Goff. Congratulations to the winners. Thanks to all who made this another successful rendezvous.

There were 39 attendees this year:

Mike & Becky Arrington and Diana

***Come for the Boating Education...Stay for the Friends<sup>SM</sup>***

### Recreational Boating Association of Washington (RBAW)

This report is published with permission of Past Commodore Day Island Yacht Club Chuck Gay. These reports will keep us updated on the current Washington legislation regarding area boaters.

**RBAW**  
RECREATIONAL BOATING ASSOCIATION OF WASHINGTON

PC Chuck Gay, Delegate/Director  
253-318-2905 cell cdgii@aol.com

RBAW has several major items in the proposed State of Washington 2017-2019 biennium budget that will closely watched. These include the Boating Facilities Program, Clean Vessel Pump-outs, and Boating Infrastructure Grants. These budget items, totaling in excess of \$21.9 million, are funded by a combination of user fee collections, state tax revenues and federal pass-through funds.

The Puget Sound No-Discharge Zone (NDZ) is still an issue being watched very closely by many interested parties. A special meeting was called by the US Environmental Protection Agency (EPA) in December 2016 by the Region 10 Director Dennis McLerran. This session explored potential alternatives to the full NDZ requested by the State Dept. of Ecology (DOE). Unfortunately, those tended to be less about a targeted NDZ than about DOE's hope for some "off ramps" to full compliance. It is believed there is some chance – however remote – that the DOE will pull back its initial petition in hopes of negotiating a "we can live with it" version with the maritime community. However, the environmental community is unlikely to accept that. There also remained the possibility that EPA Director McLerran would bend to the great political pressure being discussed and signoff on the NDZ petition prior to his leaving office on January 20, 2017.

The new Dept. of Natural Resources (DNR) Director, Hilary Franz, met with maritime interests, including all groups interfacing with the Aquatics Division, especially regarding leasing from DNR. Ms. Franz was genuinely interested to establish "solutions" to vexing problems in the leasing process and policies and confirmed she sees "economic development" to hold as much weight as "environmental stewardship" in her directives to DNR staff.

DNR staff, led by Kristen Swenddal, Division Manager, Aquatic Resource Division, made a presentation at the January, 2017, Board Meeting about the policies and procedures surrounding the typical lease provisions that DNR puts in its Aquatic Lands Leases. While not directly affecting organizations which own tide lands (like DIYC) it provided a very good background for the leasing process with DNR.

Washington State Parks will be pursuing bills related to boating safety this session; one will permit law enforcement to impound a vessel with impaired operators, so long as the impound is a last resort if no other on-board operators can drive; and another bill that makes technical fixes to the Boater Education Card statute. On a related front, a bill which will clean up unintended consequences from a previous gun background check initiative has been filed by Washington Ceasefire.

On January 12, RBAW representatives met with DOL on recent Hull Identification Numbers (HIN) changes during re-titling. This process is not being instigated at the State level, but instead is a Federal unfunded MANDATE THAT states must confirm starting January 1, 2017, that each and every registered vessel has a HIN that conforms EXACTLY to one of three allowed formats. This mandate has been in discussion since 2010. DOL was very glad to have the discussion which resulted in a proposed website notice, which may be seen on the RBAW website at [www.rbaw.org](http://www.rbaw.org). RBAW does not see any further involvement in this matter except to spread the word regarding re-titling.

PC Chuck Gay

RBAW Secretary and Delegate

## "Everything Washington"

USPS® District 16

Spring Conference & Change of Watch

10-12 March 2017

Please join the Seattle Sail and Power Squadron, as we host the District 16 Spring Conference and Change of Watch. The theme this year is "Everything Washington", in celebration of our diverse geography, skills, heritage and style! This year it is being held at Campbell's Resort, in beautiful Lake Chelan, surrounded by vineyards, mountains and small-town charm, with an array of special activities. We're hoping that you will come a day or two early and enjoy some local activities and special events we have arranged specifically for the folks attending the conference.

Arrive Thursday or Friday and join the 4-hour **Lake Chelan Wine Tour**. Book your seat on this limousine ride and wine tasting tour, guaranteed to be a first class event, for only \$55/pp. The tour is from 1300 - 1700, both Thursday and Friday, leaving from the hotel. [<See attached flyer>](#)

Thursday only, we have arranged a private **Wine Maker's Dinner** at Tsillan Cellars and Sorrento's Restaurant. The price of \$75/pp includes a 3-course meal, wine education, wine pairings with each course, including tax and gratuity. We need a minimum of 45 people to sign up for this culinary event, so please don't wait until the last minute. [<See attached flyer>](#)

Conference registration will be open on Friday from 1500 - 1800. The council meeting runs from 1700 - 1800 Friday evening, followed by a No-Host bar including heavy appetizers and a special guest to entertain us, the Elusive & Hilarious, Fletcher Ellingson, Magician.

On Saturday, you're on your own for breakfast, but the resort has a great restaurant on site, to start your day. Then down to business with meetings until lunch where we'll be offering a nice box lunch. In the afternoon - more business, reports, awards in excellence and a break before we reconvene the conference and enjoy a catered dinner among friends.

A registration form that is included may also be found on the district website. Forms will also be included in your squadron newsletters. Attendees are asked to pre-register for any Special Events and choose from one or more of the catered meals listed. The conference itself is free.

**Hotel Reservations:** All rooms have 2 Queens or 1 King bed, a balcony or patio on Lake Chelan. The room rate is guaranteed up to 14 February 2017 - \$94 for a traditional room or \$108 for a Deluxe Room, per night plus taxes. Make your room reservations directly with Campbell's Resort at 1-800-553-8225. Rooms fill up quickly so make your reservations early. When making reservations state that you are with the "United States Power Squadron, Group #462965" and please indicate if you desire a ground floor or handicapped room.
